Dear Mr. Edwards:

Re: Permit Review Status, Bald Knoll Mine, S/025/012, Kane County, Utah

On January 21, 1994, the Division received your plan for the Bald Knoll Mine mine. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
